

Charity Blythe is trapped in a betrothal with a selfish man, whose careless approach to teaching her about the duties of the marriage bed leaves her cold. When he sends her to Dillon Ramsey, MD to find out what's wrong with her, Dillon shows her there is nothing wrong, and just how deeply the fires of passion burn within her. Her experience with Dillon gives her the courage to break her engagement and take charge of her life. Powerfully drawn to each other, can Charity and Dillon find happiness in spite of her rediscovered independence, and his safeguarding his once jilted heart? To My Reader: Charity and Dillon came to me in a day dream, and just begged me to tell their story. They match each other in both charm and sensuality. I just love seeing nice people get the good stuff they deserve. Don't you? Come join them in their ardent quest for each other.
