

Love can come in the midst of heartache...Christa Hargrove lives in the small, southeastern town of Shiloh and has been a member of the same church her entire life. Just when she least expects it, an old friend returns for a visit. Her faith is then tested when her beloved preacher dies in a tragic accident. Tobias Caldwell comes to fill her preachers place. Will she be strong enough to accept a new pastor ? How will she deal with her old friends return ? Will she stand firm in her belief or give in to despair ? And, finally, will she be able to see and take a second chance at love ?
