

## One Magic Moment

Dynamic advertising executive Nia Taylor is a tiger in the boardroom but an ice-queen when it comes to relationships. But when she meets handsome, sexy banker Damon Bradley at her company Christmas party, she's instantly smitten. Damon pulls out all the stops to win Nia's heart including hiring her advertising firm. Soon the two embark on an old-fashioned love affair until Damon's ex-fiancee enters the picture. Kendall is desperate for another chance, but Nia's the only woman for Damon. After a series of misunderstandings helped along by Kendall and his meddling family, Nia ends their relationship. By the time she realizes Damon truly is the one for her, will it be too late?
