

## Tanis: A Gods of the Highlands Novella, Book Three

Tanis Cleary, laird of a small Highland clan, wants to protect what's left of his family from the pagan god who hunts them. But even with his colossal strength, fed by the unholy blood in his veins, he cannot do it alone. His only ally is an insatiable angel with a chip on her shoulder. Will he desert his clan to follow the only woman who can save him from eternal damnation? Kiah is an angel of God, tasked with guarding one of His most sacred vessels. Like any human girl desperate to win her Father's approval, Kiah will stop at nothing to successfully complete her mission. Distracted by the lure of a man more compelling than any other, Kiah soon finds herself battling the fires of hell, her very existence in jeopardy.
