

The Choosing

From the first page, this action-packed science fiction adventure pulls you into a world of danger, intrigue, romance, and humor. Adison is the only daughter of Morrigan, immortal ruler of the world. But she is kept prisoner in her own home. Then she discovers the purpose for which she was born, and the fate which Morrigan plans for her. She makes her escape into a strange world, pursued by all the terrifying powers at her mothers command. Devin has grown up in exile. Determined to restore his family honor, he sets out to foment rebellion. But the worlds ruler has powers beyond imagining. Soon Devin is trapped in Morrigans web, unable to escape. The only person who can help him is Adison, if she can find the courage to face her own doom. Their lives and the fate of the world rest on Adison and Devins ability to discover the secrets behind an immortal ruler and a strange moon. But that will require penetration of Morrigans strongest fortress, and the worlds oldest mystery.
