

## The Dukes Daughters: Ravenwoods Lady and Lady Brittanys Choice

The Duke of Malmesburys daughters discover that passion can derail even the best-laid matrimonial plans. Lady Cecily is known as the Ice Princess because of her cool blond beauty and her refusal to wed any of her several eligible suitors. She has no choice but to obey her father, the Duke, who wants Cecily to marry the one man who can assure the familys social and financial positions: the arrogant and infuriating Viscount Ravenwood, who has been her enemy since childhood. A marriage of convenience is all she expects from their pairingshe has no idea that Ravenwood conceals a deep secret, or just how determined he will be to claim her heart. Cecily's sister, Lady Brittany, is relieved that she doesnt have to take part in the husband hunt in Londons marriage mart though as a dukes daughter, she is considered a prime catch. Comfortably engaged to amiable Lord Anthony Faringdon, she knows that though they may not be a love match, she and Tony will get along just fine that is, until she meets his best friend, the darkly handsome Marquess of Cheriton, whose eyes pierce her very soul. Brittanys comfortable life and perfect plans will be overturned by her increasingly passionate feelings for the irresistibly charming Marquess.
