

The Little Black Book of Chat-up Lines and Flirting

Never again been surrounded by hotties and stuck for an opening line? I think there's something wrong with my phone. Could you try calling it for me to see if it rings? Would you touch me, so I can tell my friends I've been touched by an angel? You remind me of a parking ticket. You've got fine written all over you. From classic romantic to speed seduction, plus killer put-downs and hot tips on body language and online dating, this is the only ammunition you'll need to raise your game.
