

A Wife for their PapaPolly MacDonald intends to tame Mitch Taylor's five mischievous children, even though every other nanny has fled. She needs this job—and Mitch's brood sorely needs affection. Perhaps their widowed papa does too. But when the children begin scheming to make her their new mother, Polly must resist. She's seen too many bad marriages to want one of her own. Mitch has come to Leadville, Colorado, to escape a scandal, not find a wife. After the disaster of his first marriage, he's sure he isn't husband material. Though Polly's tender care is working wonders with his children, Mitch knows he should keep his feelings to himself. But can two wary hearts deny the dearest wish of five eager matchmakers?
