

The Rangers Texas Proposal (Lone Star Cowboy League: Boys Ranch)

A Wife for the Ranger When Texas Ranger Heath Grayson agrees to investigate thefts at the boys ranch, hes also hoping to solve a decades-old murder case: his fathers. Getting involved with pretty, pregnant widow and boys ranch volunteer Josie Markham is not on Heaths agenda. But the more time he spends with Josie, the harder it is to ignore their growing attraction. The somber ranger is convinced a wife and child are not in his future. But with a little help from the boys at the ranch, he may just realize a family is what he needs most of all.
