

# THE ROSE AND THE BLADE (Romantic Romps through History Book 1)

Rose O'Neill, young but independent-minded niece of the Irish Lord Hugh O'Neill, captures the attention of Viscount Jacques Chevalier de Blois at a dinner for Queen Elizabeth. Setting is England 1595. Rose has been pledged against her will to Lord Castaway, a repulsive and dangerous Earl. Viscount Jacques vows to rescue Rose. What ensues is a bawdy, suspenseful romp with an ensemble of plucky characters, historically accurate and entertaining.
