

The Square Root of Evil: The Peppermint Files

The Chinook winds blow across the Canadian Rockies onto the Calgary plains where serial killers reside in and around college campuses. Attractive young co-eds reported missing are never to be seen alive again, until a certain unrelenting detective-sergeant utilizes his unique mathematical system skills to set enticing traps to snare the perpetrators. Unbelievably, impetuous love-at-first-sight blossoms in the middle of these chilling bloodbaths and cheers-on, growing stronger under the cloak of the macabre.
