

The Sweet Spot

This holiday season, will you be naughty or nice? Evie Lane is ready for a Christmas getaway: just her, a beach hut, and a bottle of rum. She didn't bet on the buzzkill marine biologist next door looking to ruin her fun - even if he is hotter than Christmas in the Florida Keys... Finn Thomas wants peace and quiet, but the sassy brunette down the beach won't cut him a break. Her morning skinny dips are distracting him from his work, so maybe it's time to play hooky and show her how to celebrate the season in style -- clothing optional. Soon, Evie and Finn are hitting the sweet spot, but will their romance sizzle when the holiday is over? Find out in Bella Cruise's sassy, sexy holiday novella!
