

Unlikely: The Study Guide

Can you honestly say that you know what Gods good, pleasing, and perfect will is for your life? If you are like most Christians, you are struggling to learn this truth, or worse, you have yet to even consider the question. Without a doubt, God has a plan for your life. He has given you a specific purpose, a reason for being. The truth is, most Christians view themselves as the most unlikely person to be used by God for any purpose; however, throughout history God has called upon the most unlikely people to carry out His will and purpose. When Gods people live according to His plans, the results are truly miraculous. Unlikely is packed with scriptural references and practical applications that will show you there is a deeper meaning and a higher calling to this life. Finding your purpose and passion about being a disciple of Christ is the gift that Dr. George Goodman hopes to share with you as you read this insightful and encouraging guide to seeking Gods will for your life. Let the journey begin!(Unlikely: The Study Guide is the companion book to Unlikely: The Simple Truth about Finding Gods Will and Plan for Your Life.)
