

The Well: Why Are So Many Still Thirsty?

Why are so many so close to the Well and still so thirsty? Mark Hall takes the powerful story of the Woman at the Well and her encounter with Jesus to help readers understand that the wells we go to for life and sustenance, the wells of success, talent, control, favor, religion, etc., are keeping us from relying on Jesus and his abundant life, and we will never be truly satisfied until we realize that and go to Him for our needs.
