

## The Wingman Chronicles

James Holeva, aka The Wingman, is as classy as he is crass. His life is a dirty ride of uncouth adventures involving weddings, proms, threesomes, soccer moms, models, strippers, balconies, bedrooms, backseats and bathroom stalls. No details are spared in this humorous, erotic, autobiographical novel depicting all of his hedonistic debauchery. Full of jaw-dropping moments, gut-busting laughs and multiple orgasms, The Wingman Chronicles will make you laugh and orgasm at the same time. Fast paced, in your face, and offensive, this swaggering young player degrades with class while providing a message to the world, Don't ever let anybody stifle your adventure.
