

Forget Me Not: Love in the Fleet, Book 2

Suffering from Peter Pan Syndrome and survivor guilt, Navy Seahawk pilot and renowned playboy, Brian Skylark Crawford, swears hell never settle down, unsure he deserves the happiness promised by marriage - besides, theres too many hot chicks out there to choose from. War widow and veterinarian, Daisy Schneider, swears to love only animals after her Marine pilot husband is killed in Afghanistan. Although she fills her life with work and volunteer activities, it fails to put a dent in her loneliness - or the guilt that she might have saved her husband. Between one stray, matchmaking cat and fiery battles with drug runners at sea, the fur flies as Sky and Daisy learn valuable lessons about life, love, and second chances.
