

This is a guide book for the individual who has always shied away from all occult subjects, such as religion, magic, astrology, metaphysics, spiritual anything, and for the beginner into all of these subjects who wished to expedite his/her learning with the latest up to date information. It offers leads for the beginner interested in understanding the merger between science and the occult spiritual subjects, and a reference of where to get started in the search for the ultimate truth. This book also provides references of where to find up to date information, based on scientific evidence of what is going on with our planet earth, and what to expect in the coming years leading to December 21, 2012. This book provides scientific and practical ways of understanding the universe; TOOLS to help YOU LIVE life TO ITS FULLEST and with EXCELLENT HEALTH!!!
